APRIL 2018 EDITION

European Business Air News is a business-to-business magazine established in 1989, published monthly (except January) in printed and digital formats and intended for business aircraft owners and professionals in business aviation, and with aircraft in private or business use which are jet, turboprop or piston twin aeroplanes or turbine helicopters. It contains news about business aircraft owners and operators in the regions of Europe, Russia, the Middle East and Africa and other business aviation news.

European Business Air News maintains its own proprietary and confidential database of every business aircraft throughout its catchment regions, including ownership details and key personnel. The distribution lists are based on this data, and are analysed and reported on publication of each issue in this report. Individuals receiving a printed copy may also receive the digital edition, but are reported only once.
